

SAFE-LIFT CORP. Miami, Florida

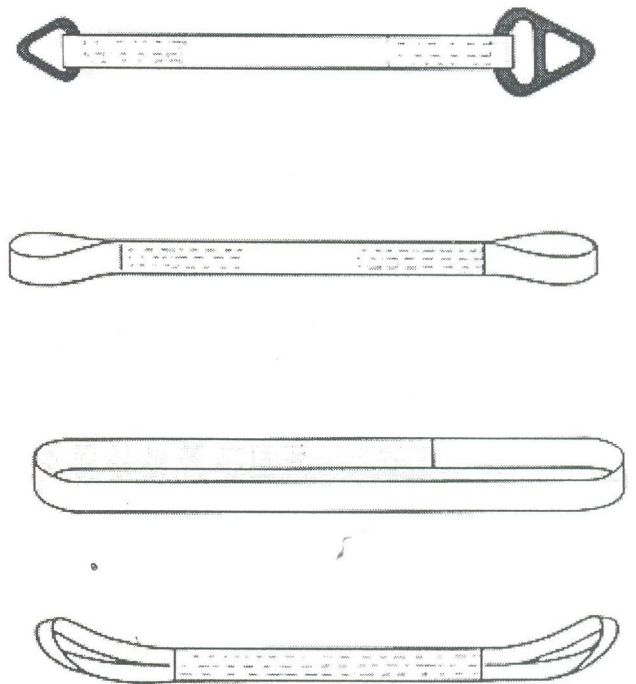

SLINGS & ASSEMBLIES

Safe-Lift Corp. proudly has the reputation of being the maker of the "SAFE" Sling. It is not uncommon to have our slings get checked by 3 or more times before it's delivery to our customers. Following is just a small sampling of different slings. We cannot show them all, since there are so many types of slings and each sling is custom made for each order.

Wire Rope Slings

Nylon & Polyester Slings

Alloy Chain Slings
